

MedSkrybe (MedScribe) Privacy Policy

Your privacy is paramount to us. Learn how MedSkrybe protects your health information.

Last updated: March 2024 | Canonical URL: <https://medskrybe.com/privacy> | This PDF: <https://medskrybe.com/legal/privacy.pdf>

At MedSkrybe, we are committed to protecting the privacy and security of your personal and health information. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our healthcare platform.

HIPAA Compliance

MedSkrybe is fully compliant with the Health Insurance Portability and Accountability Act (HIPAA) of 1996. We maintain appropriate administrative, physical, and technical safeguards to protect your Protected Health Information (PHI).

Information We Collect

- Personal Information (name, email, phone, date of birth)
- Health Information (medical history, diagnoses, treatments)
- Account Information (credentials, preferences)
- Usage Data (features used, time spent, actions taken)
- Device Information (IP address, browser type, device type)

How We Use Your Information

- To provide and maintain our healthcare platform
- To process and manage medical documentation
- To facilitate appointment scheduling
- To send you notifications and updates
- To respond to your inquiries and support requests
- To improve our services and develop new features
- To comply with legal obligations

Data Security

- End-to-end encryption for all data transmission
- Encryption at rest for stored data
- Strict access controls and authentication
- Regular security audits and penetration testing
- Comprehensive monitoring and intrusion detection

Your Rights

- Right to access your personal information
- Right to correct inaccurate data
- Right to request deletion of your data
- Right to opt-out of marketing communications
- Right to data portability
- Right to know how your data is used

Contact Us

If you have questions about this Privacy Policy or how we handle your data, please contact our Privacy Officer at privacy@medskrybe.com.
